EXPRESS PICKUP /DELIVERY (INTERNATIONAL COURIER)

OUR DIFFERENTIATORS:

Delivery System: Our prompt delivery system is designed to empower your operations and ensure that you meet your customer's requirement well within the timeline. Our logistics solutions are tailored to meet your orders without deviating on the quality aspect.

Strong Overseas Partnerships/Establishments: We have strong overseas establishments/partnerships to ensure smooth operation. Our overseas partners/ associates are well equipped to deliver these solutions most effectively and efficiently.

Accountability: We work identifying the requirements of our clients and sourcing it to the expert associate in that field owning 100% accountability of meeting the end to end requirements.

Tailored process: With the company philosophy of 'One size doesn't fit all' we follow a requirement-specific process based on the individuated business needs of clients.

Expedited process: With strong overseas tie ups, staffed by well-trained, experienced local citizens ready to serve as shipping consultants for both imports and exports, we ensure that the process is expedited and gives your business a competitive edge.

Industry Specific Approach: At Flyman, we have associates with expertise from across the industry to ensure attention to detail is addressed based on the Customer Business model.

Methodology: At Flyman we ensure that there is a methodology in place to meet the end to end process requirements. Our Associates are trained to follow these methodologies and ensure that any process during the delivery of our solutions is carried out in the most efficient and effective manner.
